As such, there is no guarantee of the amount of vegetables I will receive and my support may not be refundable in the event of a natural disaster. In the case of the Additional Shares (Eggs, Meat and Fruit) I realize the grower, Wilbur Hochstetler, Spartan Country Meats and Country Mill Orchard, respectively, will be held responsible for issues concerning their products and Titus Farms will simply serve as an intermediary. I will also show up to my distribution location at the proper times and provide a 1 week warning for absences.
